

DBHDID FY2021
CMHC KY-Moms MATR, Project Pride, Project Link Form 155D
Budget Justification and Proposed Expenditures Instructions

Please complete Form 155E which is the FY 2021 Pregnant and Parenting Women Substance Use Services – Budget Justification and Proposed Expenditures. This form has been developed by DBHDID to identify the spending plan for each KY-Moms Maternal Assistance Towards Recovery (KY-Moms MATR)(includes Project Pride, and Project Link projects). This form is to be submitted to DBHDID as part of the KY-Moms MATR application packet.

Form 155E requires both budget information and an explanation of how costs for the various expenditures were calculated. Please fill in the shaded areas of the form. Please note: Project Pride and Project link programs are now included/calculated together in KY Moms reporting documents.

Allowable expenditures are limited to:

1. *Personnel costs:* *Please be aware that salaries and fringe benefits for staff time directly devoted to implementation of the KY-Moms MATR program are the only allowable personnel expenditures. This may include time for prevention services, clinical and administrative supervision, administrative support, marketing, community education, and outreach services.*
2. *Implementation and facility costs:* *Implementation and facility costs are allowable expenditures under this funding. These costs can include: materials, supplies, travel, cell phone, training, postage, printing and other items necessary to the successful functioning of the project.*
3. *Wrap Around Services*
If your budget includes wrap around services, please attach your policy and procedure for expenditure of these services. Your policy and procedure should identify specifically what the funds are to be used for and the procedure approving use of the funds.
4. *Incentives:* *Incentives budget is not to exceed 10% of state allocated budget or \$10,000, whichever is less.*
 - i. *Client motivational incentives/contingency management (Case Management):*
Used in conjunction with the delivery of the case management services. If you plan to use Incentives for case management services, you will need to specify an evidence based practice for contingency management that will be utilized for these clients. The purposes of incentives are to encourage engagement in case management services; to help motivate clients to achieve identified goals while being directly involved in their care plan/treatment plan; to encourage attendance at prenatal appointments and mental health/substance use treatment; and to celebrate the success of behavioral changes.
 - ii. *Prevention Incentives:*
Prevention Incentives can be used to encourage attendance with prevention education.
